We make every effort to accommodate your request and match your child with children of similar ages. The family will provide three meals per day, transportation to and from school (high school students may choose to take the city bus), and give them support needed to live here in Kelowna. Students will become proficient in English and Canadian culture by choosing to live in a Homestay situation.

Homestay Fees

The monthly and daily Homestay fees for Middle/High School students are \$750/month (\$28/day) and for Elementary School students, they are \$850/month (\$30/day). The fees are paid at the beginning of the year and held in trust by the school for monthly disbursement to the homestay family. If your child does not attend for the whole term, as stated in your application, there must be at least one month notice given to the school.
